fashioned personal touch when it comes to our wedding proposals and wedding nights.

Others don't. For the latter—and you know who you are—a new service called Petals & Wine will customize your experience for you. Erika Rychik and Mor Soued, the founding elves, will design a wedding proposal that will trip lightly off your fiancé's lips. For the wedding-night package, the girls will book a five-star hotel room and decorate it in any of several themes: a sexy lounge,
